V671–V673: diagnosis, mechanism tests, and remaining feasibility gap
Repeated retreat; no branch arrived
Goal distance (m)
Public steps
V670: unhit cells
V672: brake-first
V673: joint p-v cover
Arrival threshold
Current safety does not imply a continuation
Clearance (m)
Admission floor
Current estimate
Best rejected future trajectory
Linear history constraints: limited extra information
Velocity interval width (m/s)
